

Mission Highlights from Firstlight International

• The partnerships are working

The FWF 'Seed Project of raising catfish is working. The grandfather of this house has taken the 200 fish that we invested last year and has grown it into a small fish farm! There are now has 3,700 fish growing in the pond. His life has now changed! In 2010 we will make some upgrades to this project to introduce a faster growing type of catfish.

• **Families Without Fathers FWF** has grown to embrace 69 children from 47 families in 6 locations in 2010. Weekly visits home visits are taking place with school fee's & related supplies provided for each child involved in the program.

A net full of catfish

• Children Helping Children Campaign 2010

Your church's VBS program can help raise money for impoverished children & families in Thailand. **Contact us today!**

• **16 children came to Christ** as part of an English Camp in Nong Bua Lam Phu in April.

Note: These mission highlights are taken from the Firstlight International monthly newsletters. To find out more about our projects, how to pray or to send a financial contribution, visit us Online - call, e-mail or write to us today!

Children Helping Children

You can make the Children Helping Children Campaign 2010 a financial giving focus for your church's VBS program this summer and help impoverished children and families in Thailand.

There are 69 children from 47 families being reached this year. Weekly home visits are taking place with school fee's and related supplies provided for each child. **Second half budget for 2010 is \$5,000.00.**

Through FWF 'Seed Projects', these families earn extra income by raising fish, growing mushrooms and by a cloth flower project. **Our goal to launch more of these is \$5,000.00.**

The plans are drawn to build homes for 3 families.

\$15,000.00 is needed to make that happen.

A Support & Care Ministry Project Of Firstlight Foundation.
