

Welcome to these 4th quarter Mission Highlights from Firstlight International. Each report tells a wonderful story of what the Lord is doing through a great Team of dedicated people. 2011 has been a remarkable year.

*Dan & Debbie Ecker*

**Reaching Children and Families for Christ, through FWF ... the Project is Working!**

*FWF Family*

Thank you for your continued partnership with Firstlight each month. Your prayers and financial gifts enable us to reach families like this whose lives have been affected in some way by a fatherless home. In 2011, there were 47 families representing 69 children in 6 locations who are being reached. The stories of how the Lord is helping are amazing! In November, too, we will held our third annual FWF Family Camp.

**Pray for Thailand.**

Thailand is the primary country where Firstlight is working. Your prayers throughout this year can make a difference.

**From Darkness to Light**

A wonderful sight to behold ... Each of our Firstlight Area Teams are engaging the culture daily with the Gospel. They are sharing Christ with the lost, baptizing new believers and forming congregations (cell groups/house churches) in responsive areas. These new believers are then challenged to become a witness for Christ everywhere they go. Although this process is painstakingly slow, the results have been amazing.

*After hearing the Gospel, this Thai man prays to receive Christ in Saka*

**Medical Partnerships - Eye Care for Evangelism**

One of the ways that the Lord is using Firstlight, in Thailand, is to bring the Gospel to rural villages through Medical Partnerships with groups like: His Servants Ministries (HSM). Just this past month, Dr. George Rooney and Dr. Brenner from Kentucky worked with our Firstlight Area Teams in two locations where Firstlight is planting churches. Through these medical outreach clinics, many are receiving care and hearing the Gospel. PTL!

**This is Why! More Coming to Christ in Thailand**

At the very heart of Firstlight International is a vision of seeing the lost coming to Christ. In 2011, there were 44 Thai people who had come to Christ, 33 water baptisms and two churches added to the network of Firstlight Fellowships. Beloved, thank you for helping us to carry this vision forward, and to see it come to past more fully in 2012.
