

FIRSTLIGHT OCT - NOV - DEC 2013
INTERNATIONAL

Join us as we celebrate God's incredible faithfulness in 2013! We trust that you will find these fourth quarter mission highlights encouraging as we press on into 2014 and beyond. It is the Lord's doing and it is marvelous in our eyes. Thanks for your partnership.

Dan & Debbie Ecker

Pray for Thailand.

Thailand is the primary country where Firstlight is working. Your prayers throughout this year can make a difference.

FWF Family Camp Water Baptisms

It first started with 6, and it ended with 25 being baptized that day! This was a first at our FWF Family Camp! Never in the history of the past 5 years have we done this — water baptize at the camp. However, December 2013 was different. It first started as 6 wanting to be baptized. As Debbie and I entered the water to baptize, it ended up being 25 children in total baptisms. It was a moment that we will carry in our hearts in thankfulness to the Lord. It proves the purpose of our being in Thailand!

Eye Care Screenings With Dr. George Rooney

Since November 2006, Firstlight in Thailand has enjoyed a wonderful partnership with His Servants Ministries (HSM) and Dr. George Rooney (pictured right). To date, thousands have received free eye care in rural areas in over 200 villages of 4 main districts in 2 provinces in Thailand. This type of strategy provides an opportunity for us to display the love of God in a practical way. We serve the under privileged, unsaved Thai Buddhists who have limited access to proper health care and who have very little or no witness of Christ in their communities. For us, it creates a win-win opportunity. Through this holistic approach, the Lord is making a way for the good news of the Gospel to go forth and many are coming to Christ as a result.

RH Project - Repairing Homes & Reaching Hearts

We are blessed to be a part of this amazing work. We committed to building this home more than three years ago. After much praying and planning, it was finally started in October 2013 and is happening for one of our FWF families in Seka, Thailand. Noi, (the grandmother), Phuew age 18 & Moo age 17. The two girls are being raised by their grandmother in very poor living conditions. Now their home is now finished!

These mission highlights are taken from the Firstlight International monthly newsletters. To find out more about our projects, how to pray or to send a donation, visit us online, call, e-mail or write to us today!
