

Welcome to these 2nd quarter 2014 missions' highlights from Firstlight International. Together with you each month we are bringing fulfillment to the great commission in Thailand and in the nations surrounding it. Please use these highlights to share with others about all that the Lord is doing through Firstlight this year. Your partnership is making a difference!

Dan & Debbie Ecker

Pray for Thailand.

Thailand is the primary country where Firstlight is working. Your prayers throughout this year can make a difference.

More Are Water Baptized

What a mighty God we serve! We have had some amazing moments with our Firstlight Fellowship Churches in the northeast region of Thailand. It is exciting to be a part of this amazing work! Water baptisms like these have become a regular part of everyday church life and we are thankful to the Lord for the lives of those that are being changed. Recently, another two persons from the Seka church, and seven more

from the church in Sawannakhuha decided to follow Jesus in the waters of baptism - an important step in their walk with the Lord. Please do take a moment to pray and rejoice with us for all that the Lord is doing through the work of Firstlight International in Thailand!

Powerful Moments of Prayer!

During one of our most recent one day training celebration with our Firstlight Fellowship church in Seka, Thailand several were touched by the power of God after receiving prayer and personal ministry. In response to the needs of those who were gathered, we reached out in faith and prayed for healing, restoration, breakthroughs, and blessing. We asked God that these before us would be filled with the Holy Spirit in a fresh way. He did, and they were. Praise God!

Local Church Leadership Conference

Working together as a team we participated in a pastors and leaders conference in the city of Kalaymyo northwest of the city of Mandalay. This group of churches are from the Chin tribe who are predominantly Baptist in their conversion from the missionaries long ago. Inside this group there are several churches that have become more evangelical / charismatic in recent years and have formed a new network of churches and ministries.

These mission highlights are taken from the Firstlight International monthly newsletters. To find out more about our projects, how to pray or to send a donation, visit us online, call, e-mail or write to us today!
