

What a Mighty God we serve! Hello and welcome to these 3rd quarter mission highlights from Firstlight International. We are blessed by your partnership in so many ways. As you read these reports, please take a moment to pray and rejoice with us. May each of these highlights be used to encourage others to get involved. Together we are making a difference for Christ in the places where we serve. Thanks for standing with us in the work!

*Dan & Debbie Ecker*

### Pray for Thailand.

Thailand is the primary country where Firstlight is working. Your prayers throughout this year can make a difference.

### New Believer Cells Are Being Planted In Khon Kaen

Through the network of Firstlight Fellowship Churches in Thailand, we are adjusting our strategy to reach into rural areas in the province of Khon Kaen through weekly house church meetings. So far, the strategy is working. This church is being planted by Pastors Nalong and his wife Ruepawon. The church began three years ago with a good number of people coming to Christ - powerful conversions and many sick being healed. Testimonies like these continue to happen as they preach the Gospel, make disciples and plant new cells. It is a happening place to be! Our goal over the next six months is to expand into new locations for outreach to plant another five new cells.

### Reaching Children For Christ

Located in a small village of Kong Pho, in northeast Thailand, children are gathering weekly to

learn about Jesus and God's great love. The Lord has given us a tremendous opportunity to reach children for Christ in places like these. Sitting on straw mats spread out over the dirt floor of one of the Firstlight Fellowship house churches, they listen intently to Bible stories and lessons about life. Often times this is done through games and competition. Songs, too, are used to convey a message or themes about God which creates an opportunity for His Word to be sown into their little lives. Our hope is that one day there will be a mighty harvest of righteousness!

### A Thai Elementary School Opens Up To Us For Outreach

During a recent visit, the Thai director of the school asked if I (Dan) would like to become these kids' Father. In Thai culture, it is most proper to address a person like me (age and status in life) as Father. I soon learned that over half (70%) of the 96 children are from fatherless homes. I am in awe of the great opportunity that the Lord is opening for us to bring His love to these families

through the children of this school. The door is opening and we are going through it!

These mission highlights are taken from the Firstlight International monthly newsletters. To find out more about our projects, how to pray or to send a donation, visit us online, call, e-mail or write to us today!
