

To God be the glory, great things He has done! Welcome to these 4th quarter 2014 mission highlights from Firstlight International. Each one tells an amazing story of what is being accomplished through a great team of dedicated people. Real needs are being met and lives are being changed! Thank you for standing with us in the work. We look forward to your partnership in 2015 and beyond.

### Inside Myanmar - An Opportune Time

I (Dan) am always amazed how the Lord directs my steps. I first went into Myanmar in 1997. Our team of three went in to prayer walk strategic places around the country: Rangoon, Mandalay, Pagon and the city of Phee to the west. By God's grace we led several to Christ and found a great door of effectual service. Seventeen years later as a ministry we find ourselves being led by the Lord back here with countless numbers of opportunities to teach, train, and to mobilize a network of Spirit-filled Baptist churches in Kalaymyo, and in Yangon to reach the unreached. In October, I taught a group of 60 current and alumni students of the Emmanuel Theological Seminary in Kalaymyo.

### A Decision to Follow Christ

A decision to follow Christ was made by a Thai girl during a recent visit with our Firstlight Fellowship Church in Nong Bua Lam Phu, Thailand. She now is in a better place to discover God's great plan for her life. Through faith in Christ her sins have been forgiven and she has eternal life with Him. An exciting moment in the life of the church there also. It didn't take much effort to bring us into the presence of God through worship, prayer and singing. Testimonies were given by members which set the tone for what was about to take place. This young girl now has a common experience shared by all of us that day. To know the love of our Heavenly Father through his Son Jesus Christ and to be born again by his Holy Spirit. As an invitation was given to receive Christ she came forward and asked the Lord into her life. PTL!

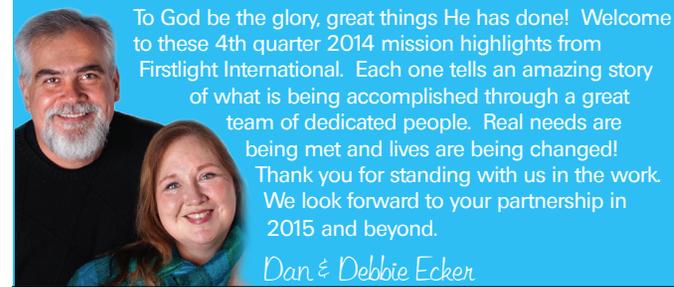

### New Cells Being Planted in Thailand

This group meets at a Thai elementary school in Khon Kaen, Thailand. This is where they met Christ during the eye care screening outreach for evangelism with Dr. George Rooney, HSM. Now they are 'having church' at this location each week. The response has been amazing! Through these types of 'cell' or 'home church' type meetings many more can hear the Gospel. The blankets they received are an added blessing from the Lord!

### Pray for Thailand.

Thailand is the primary country where Firstlight is working. Your prayers throughout this year can make a difference.
