

FIRSTLIGHT APR - MAY - JUN 2015 INTERNATIONAL

Thank you for standing with us in this amazing work! May these 2nd quarter 2015 Mission Highlights encourage faith and strengthen our partnership. Together we are bringing Christ into rural places in Thailand that have very little or no Gospel witness in their communities. As you read through each of these stories, please do remember to pray and rejoice with us! What a mighty God we serve!

Appointing Local Church Elders

During our Easter Celebration Service, two Thai men were appointed as local elders in our Firstlight Fellowship Church, in Suwannakhuha, Thailand. It was exciting! This church is located in Nong Bua Lam Phu province and is being pastored by Laore Rakprakhun. She also leads a second church in the province as part of the Firstlight Fellowship Church Network. This particular day, I (Dan) preached live in two locations via Skype, and we also baptized five new believers in the Suwannakhuha church. It was very evident that JESUS is alive! The church was full! In fact, many participated in a 'sunrise' service earlier that day where prayer and reflection took place to ponder the scriptures and to recommit ourselves to Christ as the process of follow up continues there also.

Regional Education Assistance Program

Project REAP: The Regional Educational Assistance Program is providing educational scholarships to young Thai collage age students to help further their education. These students are from under-privileged families. Several have moved out of the FWF project and they have transitioned into Project REAP. We now have the opportunity to walk with these young people through their collage education with financial assistance, life skills mentoring, and in some cases parenting. Others are young adults that we believe in and want to help. This year there are 10 Thai students that are being helped through Project REAP. Each student has gone through a personal interview with one of our Thai project staff, have gone through the application process and some have reached approval. Project REAP needs our prayers!

Training In Myanmar

We taught a two day seminar to 40 local church leaders in the Agape Baptist Church, in Kaylaymyo, Myanmar. Debbie taught amazingly well on how to believe God for miracles, signs and wonders from the life of Christ, and from the story of the feeding of the five thousand. The country of Myanmar is definitely on our Holy Spirit radar screen over the next 1-3 years. Our goal is to DREAM... To participate with the Lord in bringing this nation into its eternal destiny by praying for and evangelizing the lost. Engaging the church. Equipping leaders. Sending workers. Going to the unreached. Advancing the Kingdom.
