### *Helping Flood Victims in Myanmar*

We got word last month that heavy rains caused severe flooding in Kalaymyo, Myanmar. Many have been evacuated from their homes and hundreds are without clean drinking water. Through our partnership with Myanmar Evangelical Mission For Christ, and the Emanuel Theological Seminary, we have been able

to release \$1,000 USD from Firstlight International to assist flood victims in the region. So far 30 large bags of rice and lots of bottled drinking water have been given to victims in two affected areas, helping 484 people. We are blessed to be able to help. Please pray as the recovery process continues.

### *Training the Next Generation...*

It was great to be with the first year students of the Emanuel Theological Seminary in Kalaymyo, Myanmar for Spiritual Emphasis Week 2015. The Lord gave us an amazing week in the Word. Pastor Go Mun Thang is committed to providing these students with a learning

environment where the Word is taught in the context of practical ministry. In February 2016 another seven will receive their degrees. Over the past two and a half years we have been involved in helping this school to raise up the next generation. Myanmar is a country that is approaching a "watershed moment" in the history of their country. We are blessed to be a part of these students' learning experience, and also blessed to be a part of bringing this nation into its eternal destiny.

### *Reaching the Fatherless*

As a new Thai school term begins, weekly visits are being made to home and area schools to over 80 children from fatherless homes in seven locations across Thailand. Our Firstlight Area Teams are bringing Christ into the conversation during each visit. Ning to the left, is one of our Families Without Fathers (FWF) project staff in the Seka district of Buang Kan province. She is actively involved each of these families' lives. Over 30% of all Thais have been affected in some way by a fatherless home. Our FWF project brings Christ into families like these, who desperately need our help.
