

FIRSTLIGHT APR - MAY - JUN 2016
INTERNATIONAL

Thank you for taking the time to read and pray according to these 2nd quarter 2016 mission highlights from Firstlight International. We are blessed by your partnership! Thank you!

Dan & Debbie Ecker

Pray for Thailand.

Thailand is the primary country where Firstlight is working. Your prayers throughout this year can make a difference.

Eye Glass Distribution

Prescription eye glass distribution is underway to hundreds of people. Through annual eye care screenings for evangelism, thanks to Dr. George Rooney, Dr. Fredrick Martin and His Servants Ministries (HSM), thousands are being helped each year in rural villages. Our Firstlight Area Teams are going back into these homes to personally deliver these glasses. There is often an exchange of kind greetings, a warm welcome and an opportunity to share Christ with the unsaved.

Restoring Hearts & Homes

The RH Project: Repairing Homes & Reaching Hearts strikes again in Swannakhuha, Thailand. Over the past few months we have been working on a home repair for one of our FWF families.

Soon after getting to know this family last year, we learned that one of their family members is physically handicapped. Their home did not have proper tile flooring and it had unfinished gaps between the outside walls, and ceiling / roof area. And because of that, each time it rained, large amounts of water entered the house making the living conditions quite difficult. We are happy to report that since JESUS has entered this home, these problems no longer exist! Through the RH Project, the repairs have been made. Our Firstlight Area Team continues to bring the Gospel to them each week! A complete home and heart restoration has begun! PTL!

More Are Water Baptized

Another 8 were water baptized on Easter Sunday in two locations of our Firstlight Fellowship Churches in the northeast of Thailand. These churches are located in rural areas where there is very little Gospel witness in their communities. Everyday throughout the year we are breaking through. They are meeting in cell / house churches throughout the week with celebration church services on Sundays. The believers here are learning how to love the Lord and are growing into a vibrant Christian community where Christ is at the center of everything they do. So thankful for every soul being saved. It is marvelous in our sight!

These mission highlights are taken from the Firstlight International monthly newsletters. To find out more about our projects, how to pray or to send a donation, visit us online, call, e-mail or write to us today!
